**Reason for non-compliance in respect of applicable provisions of the Companies Act, 2013**

The Company had increased its Authorised Capital during the Financial Year 2010-11 to 2012-13, under the provisions of Section 97, of the Companies Act, 1956. However, due to technical issues necessary forms along with the fees w.r.t. increase in authorized capital could not be filed and paid hence there is difference in Authorised Capital as per MCA records and as per the Company's books of accounts. Due to difference in Authorised Capital Annual Returns for FY 2010-11 to 2013-14 could not be filed. During the FY 2014-15, the Company tried to file necessary forms along with fees as prescribed under Companies Act, 1956, however could not do so since the Companies Act, 1956 was replaced by Companies Act, 2013. With the applicability of Companies Act, 2013, the schedule of fees was increased as per the Companies Act, 2013. However, the authorized capital was increased prior to the applicability of Companies Act, 2013. The Company has filed a writ petition bearing no. WP (C ) 5199 of 2015 before the Hon'ble High Court of Delhi challenging the applicability of provisions prescribed under para 3 of Table B under Registration of Offices and Fees Rules 2014.
